

In the Drawings

Please amend Fig. 2, as shown in Annotated Sheet I, to remove the text from the block diagram. A replacement sheet showing the amendment is attached hereto as Replacement Sheet I.

## **Remarks**

### I. Status of the Application

In the Notice of Allowance mailed October 08, 2009, the Examiner allowed claims 1-4, 6, and 7. Additionally, the Examiner required corrected drawings including changes as indicated in an Examiner's amendment.

### II. Amendment to the Drawings

The Examiner stated that the text should be deleted as extraneous matter in the block diagram of FIG. 2. In this response the Applicants submit Replacement Sheet 1, which addresses the issue identified by the Examiner. The Applicants submit that the amendment to FIG. 2 places the application in condition for allowance.

### III. Conclusion

It is believed that no fees are due for consideration of this amendment. The Commissioner, however, is hereby authorized to charge any fee deficiency to Deposit Account 13-0014, but not to include any payment of issue fees.

Respectfully submitted,
